QI Read the given passage carefully and answer the questions that follow (8)

India is really a very beautiful country with its high snow covered mountains, its vast blue valleys, the rivers, the deserts, the rich red soil of the earth, palm trees, forests and the disappearing wild animals. And it is very beautiful in its variety, in the innumerable colors, in the vast expanse of the sky. You can get the whole feeling of the country with its ancient traditions, the mosques and the temples, the bright sunlight, the parrots and the monkeys. When you go up into the hills, the air is cool and fresh, there is green grass.

You would also see here in every big town the enormous increase in population and walking down any street, you would see people sleeping on the pavement, the terrible poverty, the dirt, the politician with his ambitions, everlastingly talking about the people and their welfare the various petty leaders with their flock, the division of language, the intense arrogance, the selfishness, the pride of race and ancient forbears, it is all there and the strangest thing is children laughing. It is an incredible land with its incredible sorrow You feel all this deep down in yourself with tears.
